To Whom It May Concern:

It is with great pleasure that I write to speak of our working relationship with Des Nixon and his company DNACo.

DNACo started their \$3.4mill building program for us in July 2005. They delivered the project on time and within budget.

We found Des and his team to be fantastic to deal with. They were reliable, always followed through on their word, and most importantly bent over backwards to accommodate our changing needs through the process. We will be reengaging them as we continue to expand the development of our site.

If you have any further questions please do not hesitate to call.

Yours faithfully,

Peter McHugh
Senior Minister
